

## **Heritage Educational Assistant – Presentation Task**

The selection process will also include a short presentation (approximately 5 minutes) followed by questions on the following:

***We would like to have a session on the Saxons in the Yate & South Gloucestershire area for primary school aged children taking place during the half term holidays.***

***How would you go about devising a short workshop (up to 60mins) for up to 20 children of varying primary school ages.***

***Please demonstrate the steps you would take to plan the session, what your session would involve and how you would actually deliver it.***

You are welcome to bring any materials you wish to help with this presentation. If you wish to use a laptop, please ensure you prepare the presentation in Microsoft Office PowerPoint 2016. You are not required to use PowerPoint however, and if you would like any other materials to be available, please let me know in advance (flip chart for example).
